

## Today Please Help us Close The Gap

During last weekend's in-pew-pledges, we received over \$44,000 in gifts and pledges toward our \$1.4 million Close The Gap goal. Many thanks to those parishioners for these pledges and gifts.

Today we need your help to CLOSE THE GAP. We ask all parishioners, both new and old, who have not had the opportunity to make a pledge, to commit to this dream come true—The Lower School, our new Msgr. John T. Gulczynski Early Childhood Development Center and the important improvements on our Upper School Campus.

### CAPITAL CAMPAIGN

### Open House This Sunday at Both Campuses

An Open House for Capital Campaign donors and parish supporters will be held at BOTH the

STA Lower School Campus and the Upper School Campus, this Sunday, November 13 from 1 p.m. to 4 p.m. Please join us to celebrate our community's perseverance and dedication to furthering our Catholic Faith for future generations of St. Thomas Aquinas students and parish families. If you have not had the opportunity, we encourage you to tour the facility so that you may see firsthand the wonderful environment we are providing our K-2 students. We look forward to seeing you this Sunday, November 13.

Thanks to those of you who have so generously pledged and kept up with your payments. Please, if you are behind, do help us to keep up our progress. Your steady redemption of the scheduled pledge payments helps us keep interest costs down.

If you have yet to pledge, please consider at least a \$5,000 pledge for the next 3 years. If you have already pledged, please consider extending your pledge for one more year to assist in completing our Capital Campaign. Your prayers and material support are essential. Please pray for our success, and please pray for all who have given so much of their time and effort.

—Father John
